3.LIGHT

4 types of light

High priority – KEY LIGHT AND FILL LIGHT – there are 2 lights I gave, either you can choose both 2 or you can buy one same light 2 variant.... **High priority – godox 60w**

if budget aligns, buy 2 light as godox 60w only....

1.key and Fill light-<https://link.amazon/B0cgLebXO> (godox 60w)

<https://link.amazon/B00Cns7tY> (digitek 150w)

2.Back light-<https://link.amazon/B0dy3J5mk> (once you bought key and fill light, you can buy this may also in future)

3.Practical light-<https://link.amazon/B0gFwp6Gt> (practical light you can keep even lamp etc in table, wardrobe)

Softbox – whichever fill/key light you bought – softbox with honeycomb is mandatory – if space available, prefer always 80cm for both lights or else 65cm

Light soft box -80cm-<https://link.amazon/B04mL18pj>

65cm-<https://link.amazon/B0idvSGJf>

9 ft Light tripod-<https://link.amazon/B03oumfD1>

Each light one tripod required
